Study Sheet 8, 2009  
St. Luke Lutheran Church

BIBLE READING: I Samuel 1-3, 8-10

What was the name of Samuel's mother?

What was her problem?

What did she promise to do with her son?

What did God make Samuel?

What did the people of Israel want that God didn't want them to have?

What did Samuel do to identify Saul as King?

Look up and consider this word: I Samuel 3:18

## CATECHISM INSTRUCTION: (SHEET 8) God the Father; Continued

### Discussion on Creation and Evolution

- [www.answersingenesis.org](http://www.answersingenesis.org)
- [www.icr.org](http://www.icr.org)

#### Creation:

- \_\_\_\_\_—can't prove it.
- Scientific evidence \_\_\_\_\_.
- God \_\_\_\_\_.
- Human life is of a \_\_\_\_\_ than animals.
- \_\_\_\_\_ is from Satan and sin.
- Things are running \_\_\_\_\_ not \_\_\_\_\_.

#### Evolution:

- \_\_\_\_\_—can't prove it.
- Scientific \_\_\_\_\_.
- God \_\_\_\_\_.
- Human life is of the \_\_\_\_\_ as that of animals.
- \_\_\_\_\_ is natural.
- Things are running \_\_\_\_\_ not \_\_\_\_\_.

#### Things to Think About:

- The Second Law of Thermodynamics enables us to conclude that things move from order to disorder.
- We have no way to properly extrapolate the effect of billions of years based on thousands of years' data.
- If creation is true, we would expect that there used to be lots of animals that do not exist now. (running downhill)
- If evolution is true, we would expect that as time goes on there would be more and more different kind of animals.
- Theistic Evolution, that God used evolution to make things, is held by many Christians. We reject that understanding.
- The Bible from beginning to end teaches that God created the heavens and the earth as revealed in Genesis. II Peter 3:3-6
- If it is not true... what else did God deceive us about?
- If it is true.. what do we have to fear?!?
