

## **EIGHTH GRADE CONFIRMATION**

St. Luke Lutheran Church

### **NUMBER 6 LIFE, FAMILY AND SEX**

#### Life Issues:

- Life begins at \_\_\_\_\_. Psalm 51:5; Psalm 139:16
- \_\_\_\_\_ is precious to God. Acts 17:25
- We should always \_\_\_\_\_ for people, never \_\_\_\_\_ them. Proverbs 31:8
- How do you respond?
  - Isn't it the woman's body? She should be able to do what she wants!
  - Shouldn't every baby be a wanted baby?
  - Grandfather would not want to be that sick. Let's put him out of his misery.
  - It is okay to be personally against abortion but want it legal so women can have safe abortions.

God wants us to value life. He wants people's personal life to be safe. To value life is to value God. (Jesus said, "I am the way the truth and the life.")

#### Family Issues:

- Marriage is a \_\_\_\_\_ union between one \_\_\_\_\_ and one \_\_\_\_\_. Mark 10:6-9
- God \_\_\_\_\_ divorce. Matthew 19:9; Malachi 2:1
- God's word considers all sexual intercourse outside of marriage \_\_\_\_\_. I Corinthians 6:9-10
- \_\_\_\_\_ before marriage is sinful and harmful.
- Husbands are to be \_\_\_\_\_ in the home. Wives are to respect \_\_\_\_\_ husbands. Ephesians 5:21-32
- Children are to \_\_\_\_\_ their parents. Parents are to be \_\_\_\_\_. Ephesians 6:1
- Marriage is important because it helps us to understand \_\_\_\_\_ with us.
- We should be \_\_\_\_\_ to avoid all sexual temptation. Ephesians 5:3-4
- How do you respond?
  - Hey, times have changed!
  - It is not loving to tell people they are wrong.
  - What someone does in their own house does not matter to the rest of us.

God wants us to value sexual purity that we might be safe, that we might have Godly offspring, that we might have order in society and that we might have a clearer understanding of his love for us in Jesus.
